

Emperor I Fernando Reigns

TUCSON - Suspense, Glitter, Glamour, Pomp and Circumstance were the order of the evening last Monday at Jekyll's and Hyde's when Fernando Ochoa was crowned Emperor I Fernando of The Empire of Tucson, Arizona. After a full week of campaigning, campaign parties, Organizational meetings, balloting at each of the bars and judging, the five candidates learned the results of their labors at Midnight. Judging was conducted by five non-gay persons unknown to any of the candidates, which added to the impartiality of the selection. Staff members of AGN manned the ballot boxes at each of the bars, did the final ballot count, figured the percentages (40% for judging, 60% for popular vote) and arrived at the final selections. Rick Smith was runner-up and was appointed Prince Royale I. Jeff Nuzum ran third and was appointed The Grand Duke I.

The judging, which counted 40% in the final count, was most interesting with all candidates answering a different question concerning their goals if elected Emperor. Each expressed a desire to improve relations with the straight community, and made this project one of the major goals of the Tucson Court. The popular vote results are printed below, by bar, and indicate how important the various bars were in deciding who was most popular in each location and how well the candidates did in their respective campaigns.

Joining in the festivities of the night were Empress I Cicely of Tucson and many members of the Imperial Court of San Diego including Empress IV Nicole, Chairman of the Imperial Council of Courts and Dowager Empress of San Diego County; His Imperial Majesty Emperor V Terry of San Diego; Queen Mother V Bunny; Czar II Dennis; Crown Prince to The Empress Loren; Lord Prime Minister Brad; Grand Duke V Al; Countess V Miss Brooks; Royal Baby of California Jeff; Crown Prince to the Queen Mother of all California Richard and many other members of the San Diego Court too numerous to mention.

Over 400 persons were in attendance for the Coronation ceremonies at Jekyll's. Great entertainment was provided between presentations by Mahogany, Wang, Flo and Lavern. After the actual crowning of Emperor I Fernando, over 50 persons were investitured into the Court by Emperor I Fernando and Empress I Cicely. Some of them were Grand Duchess I Miss Mahogany; Imperial Princess Miss Wang; Lord Prime Minister Bud and various Barons, Dukes & Duchesses, Counts and Countesses, Lords and Ladies, etc. A proclamation was read during the ceremonies announcing that an Imperial and Official state of Unity exists between Tucson and San Diego, and that the two cities will be known as Sister Cities.

A fun evening full of suspense, drama, comedy and tragedy. We look forward to the Imperial Court of Tucson to be an active one in their assistance to the Tucson Gay Community. We extend our congratulations to our new Emperor I Fernando and wish him well.

We both wish to thank all those who helped to make our grand opening of Hair Tiz a success.

Special thanks to Johnny who helped by serving tables, J.D. and Tony who assisted in bartending and Rudy #2 and Ray for preparing the delicious potato salad.

Polly and Dave

Dear Editor:

I want to especially thank Mother Johnny for his extra effort in traveling to Phoenix to personally invite the Sons of Apollo to Polly and Dave's grand opening of Hair Tiz.

I would also like to thank the bar owners of H&I, Back Pocket and Hair Tiz for the trophy that was presented to George. A special thanks to my staff of The Graduate; Johnny, Steve and Roger for all of their help on that big weekend.

In conclusion, I would like to point out that to have had such a successful weekend, it took a large group effort.

Dale

Dear Sir:

Trying to find out if you know if there is a Gay bowling league in Tucson! I am trying to get a tournament started with both girls and guys. The Advocate is helping me contact people in Las Vegas, San Diego and San Francisco. If you could help, I would be most grateful.

Ray Canaan

ED: If any of you know of such a league, or are interested in starting one, let us know and we will put you in touch with Ray.

EDITOR'S COMMENTS

Welcome to our new name and new size. Help and suggestions from subscribers and our generous advertisers and sponsors have caused this. We thank you all. To our new friends, we were formerly TGN, Tucson Gay Newsletter. Because of interest and demand, we have changed our name to Arizona Gay News which will include news from Arizona and the entire Southwest. Our format may be changed, but our purpose of bringing Gay Communities together in a common cause certainly has not. We love all of our Gay brothers and sisters and will strive to keep you informed and sometimes, hopefully, amused with this weekly publication.

Out & About

In our continuing effort to inform not only our own community, but the far reaching readers of AGN, we will be reviewing business establishments for your consideration.

BACK POCKET - 2921 N. 1st Ave. Tucson. On March 15, 1976, during one of the freak snow storms in Tucson, the Back Pocket opened its doors. Formerly an open sky patio extension of the Stonewall called Stoneynook, it took shape as a quiet, intimate place away from the disco in the Stonewall.

All work on the building from Electrical to carpentry was done completely by Gay people. Featuring split level seating, natural surroundings and lighting, fireplace and atrium all add up to make a very pleasant and relaxing atmosphere. **BACK POCKET** features a fantastic steak dinner every Sunday for a very nominal cost, Spaghetti dinners every Thursday for under a buck and group activities which include volley ball on Sunday afternoons during the spring and summer in the parking lot. All this shows a true effort on the part of owners John Morgan and Tom Seward to give another dimension to the Tucson Gay Community.

MCC At the recent annual meeting of the Tucson Ecumenical Council of Churches, the Executive Committee voted to discourage the passage of the upcoming Arizona State Legislative Criminal Code. The Council also initiated plans for a Gay Task Force to be formed as part of the Council. Anyone who would be interested in serving on this Task Force please contact "Buff" Fisher at 748-8699. We need "People Power" to make this Task Force effective.

Did you know that Gay Community Services of Tucson has community meetings on the first and third Mondays of each month at 7:30 at the Truth Chapel, 920 N. 1st Ave.

On February 7 we will feature a discussion with Meredith Little from The National Organization of Women. Join us, socialize, and learn more about the community. On February 21 we will hold a training session for those who are interested in how the G.C.S. office operates. If you want to be a G.C.S. volunteer, put this meeting on your calendar.

We urge all to support G.C.S. goals and programs. Here are two ways of lending support. Donations are just a dollar each to help G.C.S. and to have a chance at winning the painting on display at Hair-Tiz. Polly, David, and Norman would be happy to accept your donation and to furnish you with the winning ticket. Next week the painting will be on display at the Back Pocket.

The other easy way is to make a donation to the G.C.S. Flea Market to be held on Saturday, February 26. The things around your house that you never use might be useful to someone else and they might pay for them. There are three ways of selling items. Members will sell items donated, you can bring items and sell them at your own table, and donate a portion of your total receipts to G.C.S., or you can price and sell any large item that you have thought of selling and donate a small commission to G.C.S. You might even want to advertise these large items in A.G.N. prior to the sale. Contact Doc at 622-2324 to arrange Flea Market details.

ACLU BACKS GAY RIGHTS FIGHT IN ARIZONA

Tucson City Council Bans Gay Discrimination

TUCSON - On Monday, February 7th, the Tucson City Council passed, by unanimous vote, an amendment banning discrimination in employment, housing and public accommodations based on sexual or affectional preference and/or marital status. The Tucson Gay Coalition has worked long and hard in getting this amendment to discriminatory practices against homosexuals passed. An attorney in the City Attorney's office has already been assigned to prosecute offenders. The penalty for violation of this ordinance as amended is \$300 fine and/or six months jail sentence.

As opposed to the feature story on this front page concerning our State Legislature, this news from Tucson City Council comes as a ray of sunshine. We take this opportunity to thank our Council for their forthright action, and we congratulate Tucson Gay Coalition for their diligence in getting this amendment passed. We can only hope that this "Gay Civil Rights Ordinance" for the City of Tucson will rub off on some of our State Legislators and let them see what an enlightened community can do for minority groups.

The time has come for all people, concerned with their civil liberties, to get off their duffs and become concerned! There are some people who are trying very hard to put our Gay lifestyle down. You are going to be labeled criminals. You are going to jail for doing what comes naturally. You are letting yourself open to criminal charges if you conduct your sexual life in any manner other than heterosexual. If this is what you want, if you are not concerned, if you don't care that the so called powers that be can run your lives from the floor of the Legislature, telling you what you can and cannot do in the privacy of your homes, between consenting adults, then that is your problem and please read no further. This article is for concerned persons! The only way we are going to stop this foolishness is to get concerned.

Shortly the Arizona State Legislature will be asked to vote on the Revised Arizona Criminal Code. We have spoken about this several times in the past. Apathy still seems to prevail. We warn you that unless something is done to stop passage of certain sections of this revision as they pertain to homosexual conduct, we all are in deep trouble. While most states are repealing anti-Gay sex laws, our Arizona Legislature is going to enact new laws banning Gay sex. There are some concerned citizens who are helping fight this slap in the face of the Gay Community. Many of them are non-Gay. They all realize what true freedom means, and are willing to stand up to put a stop to discriminatory laws. One of the leading non-Gay forces helping us in this fight is the Arizona Civil Liberties Union. This group is fighting tooth and nail to stop our Legislature from passing laws that affect any freedom that is constitutionally ours. They need your help. We urgently request that you join them in their efforts to help us.

In Phoenix this Saturday, February 12th, at Casa De Roma, 4331 N. 16th Street at 3 p.m., there will be a meeting that will be moderated by Nancy Hicks, Executive Director of A.C.L.U. There will be other A.C.L.U. members and several members of the Arizona Legislature who are opposed to the revision. The Legislative members will attend to see just how interested the Phoenix Gay Community is in fighting the passage of the Revised Criminal Code. Here is your chance Phoenix. Get it together and come to the Casa at 3:00 in the afternoon this Saturday in droves to show these people that you do not want your rights violated. Tucsonians of course are invited to the Casa meeting and we hope many will attend. If you do, be sure to make your presence known.

Currently the proposed revision is in the Judiciary Committee of both the Senate and House. Here are the members of these committees who should be contacted by telephone, letter or in person:

On February 19th, the A.C.L.U. will hold a seminar in Tucson. Senator Sue Dye, the Senate Majority Whip will be the program moderator. We will have complete information on this meeting in next weeks issue. Keep that date open. The danger presented by this Criminal Code Revision is real. As of right now, 75% of the Legislators have said they will vote yes on passage. A public outcry can change this vote.

ARIES MARCH 21 - APRIL 21

You prefer sleeping au naturel, and like sleeping curled up around someone or to cradle them in your arms. You tend to draw your strength from those who lie nearest you.

TAURUS APRIL 22 - MAY 21

Physical compatibility is very important to you. A Taurus will give as much as receive, and when all systems are go there is nothing wilder or freer in bed than a Taurus.

GEMINI MAY 22 - JUNE 21

Always in demand due to your quick wit and outward going appearance. Wishing to allow for the maximum in experimentation, frequently have several love affairs, sometimes short lived.

CANCER JUNE 22 - JULY 23

Though passive, once you're aroused no one can leave a hickey with such passion. Curbing over-indulgence can lengthen and strengthen your sex life.

LEO JULY 24 - AUGUST 23

You enjoy flattery and an expression of your feelings. You are quite conventional by nature, however there are occasional moments when a flair for risk taking arises.

VIRGO AUGUST 24 - SEPT. 23

Sex, while occasional, is not the most important factor. You can be quite warm and sexually accomplished. Honor is your byword, and you stick by your love-partner once found.

LIBRA SEPT. 24 - OCT. 22

You rarely defy convention and are strongly influenced by society and its demands. Do not be afraid to express your emotions to those who are close to your heart.

SCORPIO OCT. 23 - NOV. 22

Probably the most sex-conscious in all the zodiac. Sexually you will try anything once. The Scorpion most often calls the shots.

SAGITTARIUS NOV. 23 - DEC. 22

You make ideal companions for living with on a day to day basis. Incurable flirts, enjoying sexual relationships to the hilt. Your love nature is usually quite aggressive.

CAPRICORN DEC. 23 - JAN. 20

More than any other sign, Capricorns cannot get enough sexual activity. Any place, any position, any style. Once in love, there is a tendency to hang on through thick and thin.

AQUARIUS JAN. 21 - FEB 19

Tendency to be much too generous with those whom you love. Passion is at its highest when the love partner displays native intellect or artistic expression.

PISCES FEB. 20 - MARCH 20

Highly sensual. Love is of great importance to your well being. You must be loved, and you must be frequently told that you are loved.

A BIG ONE

Something new has arrived at Hair Tiz. Polly and Dave have installed a new, gigantic, 68 inch diagonal R.C.A. Accucolor T.V. projection system. Now all of you sports fans will be able to enjoy your favorite games in the atmosphere of one of Tucson's friendlier bars. And the big movies on television can now be enjoyed when shown the way they were meant to be shown, on the giant screen.

It will be a kick to be able to get a party together for such events as the Rodeo Parade, the Oscars, Emmy awards, television specials and special news events. If you look into the future, say to the middle of August, imagine yourself with your hand wrapped around an ice cold beer watching baseball on a giant television screen in air conditioned comfort with your favorite people around you, and the outside temperature is 105 degrees!

And let us not forget the ever-popular Monday night Tucson City Council meetings. Polly and Dave, what are you doing to us?

DID YOU KNOW?

- ...that Gary of Lucky Pierre's is out of the hospital and doing well?
- ...that the fireplace at the Back Pocket is one of the nicest places to spend the time with someone you love on these cold winter nights?
- ...that Alec of the P.S. Club sold his jump suit for a scotch and water and \$10?
- ...that Hair-Tiz provides Arthur L. with his own bar stool, his own corner of the bar, and his own bejeweled ash tray?
- ...that Fred Y's birthday cake left him smiling with crumbs on his face?
- ...that Tom S. and Fred R. of the Back Pocket were judges in a 6th through 8th grade science fair?
- ...that Pancho gained five pounds after spending two hours in a sauna?
- ...that Norman is working his buns off at G.C.S. besides putting in three full days at Hair-Tiz?
- ...that Dr. Tom is still the Minnesota Fats of the Graduate?
- ...that the A.G.N. needs contributions of articles, poetry, essays, etc.?
- ...that raffle tickets for the painting being given away by G.C.S. are still available?
- ...that Phoenix was invaded by a large Tucson group, but nobody's talking?

GCS

G.C.S. of Tucson is a non-profit, totally volunteer organization. We are always in need of volunteers who are willing to undergo some training and are willing to spend 3 hours a week making sure the G.C.S. office is open to phone calls and visitors.

Our community meeting at 7:30, Monday, February 21, will be a training session for interested persons willing to operate the office. You need not be a member of G.C.S. to volunteer.

As always G.C.S. is low on funds. We don't spend on frills, but we do need to pay T.G.&E., Mountain Bell, and the landlord. All donations are gratefully accepted. Loans will be considered. Contact Norm Bloss at 622-2324 if you can help.

Don't forget the G.C.S. Flea Market, Saturday, February 26. It's a painless way to support G.C.S. Look around your house for unwanted items. We will be picking up items Fridays between now and the day of the sale. Call Doc at 622-2324 for arrangements. There are 3 ways of selling: An outright donation of items for G.C.S. to sell, rent a table, or you can advertise and sell large items. Look around, sell the items you don't need, and help keep G.C.S. alive and well.

Court de Tucson

I would like to thank all of my friends for their hard work in support of my selection as Emperor I of Tucson. I would also like to express my deep gratitude to the Gay Community for the marvelous reception I received the night of my coronation and from the Gay organizations and establishments who have been most kind and helpful to me since the coronation.

In the future both Empress Cicely and myself and our Royal Court sincerely want to cooperate with the entire Gay Community. The first official meeting of the Royal Court will be held this week to chart our future course. We will keep you informed through this column each week.

Out & About

TUCSON - In September, 1975, one of
Tucson's wilder night spots, The P.S.
CLUB opened it's doors with the
format of a private men's club. The
club is located at 2610 E. Ft. Lowell.
It's purpose was to provide an atmos-
phere where men were able to drink
and watch movies after hours. Lockers
are provided for the member to store
his booze since no liquor is served,
only set-ups. There is a very attrac-
tive dancing area and live disco is
featured every Friday and Saturday.
To this was added an adult bookstore
called the PX, which offers a fine
supply of toys for boys and an excel-
lent selection of films and magazines.
The P.S. Club itself is open every
Wednesday, Friday and Saturday night
from 12:30 to 4:00 a.m. The PX is
open Fridays and Saturdays only and
offers adult merchandise to members
at about one-half the cost of most
stores.

The membership fee is \$7.50 per year
to join, and \$5.00 to renew. Dues
are only \$1.00 per visit. Members
are allowed to ~~being a guest at \$2.00~~
per visit. Current plans are to
increase the number of nights the
P.S. Club is open. A hot spot for
your after hours pleasure. **BRING**
